# JUNIORS

Pedro

This was the year the Men of '71 proved themselves to be responsible students of the upper division. Paul Ferrari, president, Dave Mosher, vice-president and Dick Coughlin, secretary-treasurer, served the class well on the Student Council. Juniors were in the front of organizing the Chicano Student Union and the reconstituted Black Student Union to better educate their fellows. This class placed the most members on the Varsity football team and showed strength in all sports. In this year the Juniors added rousing spirit to St. Mary's and were proud of it.
